

# Rainwater harvesting quotation request

04/08

In order for us to supply you with a quotation for your rainwater harvesting system we need to ask a few simple questions so that we can calculate what size tank you require. You can send the completed form by fax on 01452 772008 or by post to the address below. Alternatively you can supply the relevant information by e-mail to: [sales@rainharvesting.co.uk](mailto:sales@rainharvesting.co.uk)

Roof area in square metres\*

Location of property (nearest town)

Intended use for harvested water

WC    laundry    garden  
       

Flush volume of WCs, if relevant

 litres

Number of occupants

Class of washing machine, if known (class A, B etc.)

Approx. area of garden you wish to irrigate (m2)

\* roof area is taken in plan view (i.e. footprint of the building). Only include the areas that you intend to collect water from.

Are there any site restrictions or specific requirements? e.g. no room for underground storage tank?, high water table?, do you require a header tank? etc.
